

# Deep Water Swim Test Application

Children between the ages of 8 and 13 years can swim in the deep end by demonstrating the following proficiencies (testing to be done by a specified lifeguard at specified times posted on the Radburn Website and Bulletin):

- Tread water for at least 2 minutes
- Competently swim 25 meters (the length of B pool) with

acceptable breathing techniques

- Jump into the pool from deep well pool deck and swim to a ladder
- Generally demonstrate the ability to safely be in deeper water
- A parent or Guardian must accompany the child at the test. Only two children will be allowed to test at one time, while others must remain outside the gate while observing social distance.
- Children 8 and over that have passed the deep water test will receive a wristband and may be in the deep diving well of the pool area unaccompanied. They can also go to the pool unaccompanied by an adult if they bring their wrist band and the health check form signed by their guardian.

**Please bring and wear your wristband every time you come to the pool. If the wrist band is shared with a resident that has not passed the test, all deep water privileges will be revoked.**

All children 13 and under that have NOT passed the deep water test, must be accompanied in the deep diving well by a Parent, Guardian, or Babysitter who is (a) an adult 18 years or older, or (b) a person under 18 years who is a certified lifeguard, and who shall be responsible for the child at all times and shall be in the pool with the child in deep water.

**The testing Manager/Lifeguard makes the final determination of whether a child has passed or not. Their decision is final. The child will be able to re-test the following week if there are testing scheduled.**

\*Children who are not able to successfully complete the Deep Water Test will not be permitted to retake the test for one week.

\* Children 8 years and older who HAVE passed the deep water test may enter the pool without an adult.

**Please read and sign the following prior to your child taking the deep water test:**

I, \_\_\_\_\_, request that my child, \_\_\_\_\_ age \_\_\_\_\_ be given the Deep Water test at Radburn and verify that to the best of my knowledge they have the swimming skill to be able to successfully complete all aspects of the test.
